

# **(k)Nudging Statement on Accessibility**

## **We Stand Committed**

(k)Nudging LLC (hereinafter referred to as “(k)Nudging,” “we,” “our,” or “us”) is committed to providing full accessibility with respect to knudging.com and the (k)Nudging Online Discussion App. All of our content is developed to meet the accessibility standards outlined in the WCAG 2.1 Level AA standards of the Web Accessibility Initiative and Sections 504 and 508 of the Rehabilitation Act.

These criteria are applied during the development, testing, and quality review processes. We incorporate both automated and functional testing to assure that we are not only addressing the WCAG standards, but also providing a positive learning experience for all users.
